PREAMBLE

This Memorandum of Understanding, hereinafter referred to as the MOU, entered into by the SUPERIOR COURT OF CALIFORNIA, COUNTY OF SOLANO, hereinafter referred to as the Court, and SERVICE EMPLOYEES INTERNATIONAL UNION, LOCAL 1021 hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the Court and the Union; establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work and other conditions of employment pursuant to the provisions of the Trial Court Employment Protection and Governance Act (Government Code §71600, et seq).

ARTICLE 1 RECOGNITION

- A. The Court recognizes the Union as the recognized employee organization for:
General Unit
- B. The Union recognizes the Court Executive Officer or his/her designee as the Court's designated representative for negotiations.
- C. As specified in the Employer-Employee Relations Rules and Regulations, Article 4, Section 14, the Court and the Union have entered into the process of meeting and conferring on salaries, employment benefits, and other terms and conditions of employee in accordance with Section 71630 et seq., of the California Government Code.
- D, This MOU applies to the classifications listed in Appendix B.

ARTICLE 2 NO DISCRIMINATION

- A. There shall be no discrimination because of race, creed, color, national origin, sex, sexual orientation, age, legitimate union activities or military or veteran status against any employee or applicant for employment by the Union or by the Court or by anyone employed by the Court; and to the extent prohibited by applicable state and federal law, there shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from adequately performing the essential duties of the position.

ARTICLE 3 MANAGEMENT RIGHTS

- A.** Except as expressly modified or restricted by a specific provision of this MOU, all managerial rights are retained and vested exclusively in the Court, including but not limited to, the right: to hire, terminate, discipline, promote, transfer, layoff, and recall employees; to determine the numbers of employees to be employed and their qualifications; to assign and direct work; to determine the personnel, methods, means and facilities by which operations are conducted; to maintain the efficiency of operations; to coordinate, consolidate and merge the Court and support staff; to determine Court services; and to establish the hours of operation of the Court.

ARTICLE 4 UNION SECURITY

A. Agency Shop

As a condition of continuing employment, employees shall become and remain members of the Union or shall pay to the Union a service fee in lieu thereof. Such a service fee shall be established by the Union and shall not exceed that portion of the Union's dues and initiation fees (hereinafter collectively termed "service fee") paid by members of the Union as are expended by the Union in fulfilling its responsibility for representing members of the bargaining unit in the negotiation and administration of the MOU. Initiation fees shall only apply to employees hired after implementation of this agreement. The Union shall comply with the rules governing the establishment of agency shop fees as set forth in the U.S. Supreme Court's decision in Chicago Teachers Union v. Hudson.

B. Union Dues/Service Fees

Any employee hired by the Court subject to this MOU on or after the date of implementation of this agreement shall be provided, through the employee's department, with an authorization form advising the employee that the Court has entered into an Agency Shop agreement with the Union and that all employees subject to the MOU must either join the Union, pay a service fee to the Union, or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a form for the employee's signature authorizing payroll deduction of Union dues or a service fee, or a charitable contribution equal to the service fee. Said employee shall have five working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Court Human Resources Department.

1. If the form is not completed properly and returned within five working days, the Court shall commence and continue a payroll deduction of service fees from the regular biweekly pay of such employee. The effective date of Union dues, service fee deductions or charitable contributions for such employees shall be the beginning of the first pay period of employment. Initiation fees shall be deducted in not more than four equal installments in successive pay periods, beginning with the first full pay period.
2. The employee's earnings must be sufficient after the other legal and required deductions are made to cover the amount of the dues or fees authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over union dues and service fees.

C. Religious Exemption

Any employee of the Court subject to this MOU who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting a public employee organization and which is recognized as such by the National Labor Relations Board, shall, upon presentation of verification of active membership in such religion, body, or sect be permitted to make a charitable contribution equal to the service fee in lieu of Union membership or service fee payment. Declarations of or applications for religious exemption and any other supporting documentation shall be forwarded to the Union within fifteen days of receipt by the Court. The Union shall have fifteen days after receipt of a request for a religious exemption to challenge any exemption granted by the Court Executive Officer or designee. If challenged, the deduction to the charity of the employee's choice shall commence but shall be held in escrow pending resolution of the challenge. Charitable contributions shall be by regular payroll deduction only. The Court shall provide the Union, on a quarterly basis, a list of all persons making charitable deduction payments.

D. Financial Reports

Local 1021/SEIU shall submit copies of the financial report required pursuant to the Labor-Management Disclosure Act of 1959 to the Court Executive Office once annually.

1. Copies of such reports shall be available to employees subject to the Agency Shop requirements of this MOU at the Office of the Union.
2. Failure to file such a report within 100 days of the close of the Union's fiscal year shall result in the termination of all agency service fee deductions, without jeopardy to the employee, until said report is filed.

E. Payroll Deductions and Payover

The Court shall deduct Union dues or service fees and premiums for approved insurance programs from employees' pay in conformity with applicable law. The Court shall promptly pay over to the designated payee all sums so deducted.

1. The Court will provide a list of employees newly hired into or separated from positions represented by the Union on at least a monthly basis. The Court will also provide the Union with copies of signed dues deduction authorization forms and dues deduction withdrawal requests on a monthly basis.
2. Union Committee on Political Education– the Court agrees to provide a payroll deduction for members to make a voluntary bi-weekly contribution to the Union Committee on Political Education (COPE).
3. The Court will provide a hard copy to the Union including information on employees' names, department, unit, and classification to coincide with the regular pay frequency of employee pay.

F. Programming Fee

The Union shall reimburse the Court for actual, reasonable, and necessary costs, if any occur, of reprogramming in order to implement this MOU. Such costs shall not exceed the Union's prorated share of such costs, to be determined by dividing the total number of Court employees subject to agency shop and by multiplying this quotient times the total cost.

G. Hold Harmless

The Union shall indemnify, defend, and hold harmless the Court, its officers, employees, and agents acting on its behalf from and against any and all losses, damages, costs, expenses, claims, demands, actions, suits, judgments and other forms of liability arising out of the application or enforcement of this Article. In no event shall the Court be required to pay from its own funds Union dues, service fees or charitable contributions, which the employee was obligated to pay, but failed to pay, regardless of the reasons.

H. Waiver of Election for Newly-Represented Employees and New Representation Units

The accretion of classifications and/or employees to bargaining units set forth in this MOU shall not require an election for the application of this Agency Shop provision to such classifications and/or employees. The recognition of newly-established bargaining units and the inclusion of same within this MOU shall also not require an election for the application of this Agency Shop to such units.

ARTICLE 5 UNION RIGHTS

A. Release Time

If the President of the Union is a member of one of the units covered by this MOU, the Court will allow up to eight (8) hours per pay period of paid time away from work to conduct Union business in the administration and application directly related to this MOU. The President shall obtain written approval in advance from his/her immediate supervisor prior to leaving work, in accordance with Court policy. Any expenses incurred by the President shall be borne by the Union. Reasonable adjustment shall be made to the President's workload to accommodate the release time provided for Union business.

The Union shall designate a reasonable number of stewards to assist in resolving grievances. Employees designated as stewards may be relieved from their assigned duties with prior approval by their supervisor to assist an employee to investigate and present a grievance provided the release time is scheduled for reasonable times agreeable to all parties. The Court shall provide a maximum of eight (8) hours per year for newly appointed stewards and a maximum of four (4) hours for all other stewards for the purpose of Union training in cooperative employer-employee relations techniques directly related to the administration or application of this MOU.

The Union shall annually, in January, provide a list of stewards to the Court Executive Officer. The Union shall inform Court Human Resources in writing of any additions or deletions of individual stewards within thirty (30) days of such a change.

With the prior approval of the immediate supervisor, the Court will provide a Union designated Employee Representative in Fairfield and a Union Employee Representative in Vallejo the opportunity to contact each new hire within thirty (30) days of the date of hire. Such contacts shall not exceed one hour per month per representative. Such contact will be at the expense of the representative.

B. Bulletin Boards

Recognized employee organizations may use designated bulletin board space to post official business of the employee organization, excluding materials regarding matters about which the Court and the Union are in dispute. Inappropriate, libelous, or offensive material will not be permitted. In addition, posted material shall not be visible to the public and posted material shall not be of a partisan political nature, nor shall it pertain to public issues that do not involve the court or its relations with court employees. A copy of the material being posted will be provided to the Court Executive Officer or designee within one (1) business day of being posted. Any material posted is subject to the review and approval of the Court Executive Officer or designee, and the Court reserves the right to remove objectionable material(s) after consultation with the Union.

C. Notices of Recruitments

The Court agrees to mail all job recruitment and transfer notices to the Union Office.

1. The Court will notify employees of all job announcements and transfer announcements within the Court.
2. The Court will notify employees of their examination score and rank on promotional lists, consistent with the Superior Court, County of Solano Personnel Policies.
3. Employees submitting employment applications will be notified by the Court, by telephone or in writing, if the application does not demonstrate that the employee meets the minimum qualifications (MQs) for the job.

4. Prior to releasing an announcement that a position has been filled, the Court will notify any internal candidates by telephone.

ARTICLE 6 HOURS OF WORK

A. Work Day

Except as may be otherwise provided by order of the Court, eight (8) to ten (10) hours of work shall constitute a day's work for all regular and probationary full-time employees. The lunch period shall not be considered part of the workday.

B. Workweek

1. Except as may be otherwise provided, the official workweek shall be forty (40) hours beginning at 00:01 hours Sunday and ending at 24:00 hours on Saturday. The workweek schedule shall normally consist of five (5) workdays of eight (8) hours work each. However, workweek schedules may be established which differ from the normal schedule, upon approval of the Court Executive Officer. It shall be the duty of each division manager to arrange the work of his/her division so that each employee therein shall work no more than forty (40) hours in any workweek; except, that a division manager may require any employee of his/her division to temporarily perform service in excess of forty (40) hours when public necessity or convenience so requires.
2. Alternative Workweek/Work hours -- Alternative workweeks shall be instituted as a result of an agreement between the Union and the Court Executive Officer, specifying the terms and conditions of the workweek schedule. Each employee on the alternative workweek schedule should sign and receive a copy of the agreement. Establishment of any new workweek/work hours shall require completion of any required meet and confer process and the approval of the Court Executive Officer.

C. Rest Periods

Each employee shall be entitled to take one fifteen (15) minute rest period for each four (4) hours of work performed. If not taken, a rest period is waived by the employee. Authorized rest period time taken shall be counted as time worked.

D. Duties Imposed on Officers and Employees to be Performed; Staggering of Hours of Employment

Nothing contained in this MOU shall prevent, relieve, or otherwise excuse any Court employee from the performance of any duty imposed upon him/her by applicable law or from the rendering of service at such times and places as is necessary in order to properly perform the functions of his/her office or employment. The Court Executive Officer is empowered to stagger, rearrange, and adjust the hours of employment of employees in such a manner as to enable them to keep their offices open at all times required.

E. Lunch Period

Unless otherwise determined by the Court, a lunch period of at least 30 minutes will be taken at approximately the mid-point of each workday.

ARTICLE 7 PROBATION PERIOD/RETURN TO VACANT POSITIONS

A. Probation Period

1. Following each new appointment, the employee shall serve a probation period of 2080 work hours, in which the employee must demonstrate competent performance in assigned duties and responsibilities. Employees hired prior to May 1, 2011, will serve an initial probation period pursuant to the language in Article 7 A 1 of the MOU for the period January 26, 2010 through December 31, 2010. Employees, except Courtroom Clerks, will serve a promotional probation period of 1,040 hours. Courtroom Clerks will serve a probation period of 2,080 hours. A new employee in probationary status may be separated from service at any time during the probation period without right of appeal or hearing unless the employee alleges that such separation was based upon discrimination.
2. On the recommendation of the supervisor and concurrence of the Court Executive Officer or designee, the Court may continue the probation period to appraise the performance of the employee for an additional 1040 work hours.
3. Any leave-of-absence with or without pay, military leave-of-absence, or jury duty exceeding seven (7) calendar days shall cause the employee's probation period to be extended by an amount equal to the number of work hours during which the employee was on leave-of-absence with or without pay, military leave, or jury duty.
4. There shall be a written evaluation of the employee's job performance on or about 520 work hours, on or about 1040 hours, and a written evaluation prior to completion of the probationary period. The concluding performance evaluation will include a formalized merit rating. Probationary performance evaluations shall be discussed with the employee.
5. The probation period may not be extended except as provided in Subsection 2 above. An employee who is permitted by his/her supervisor or division manager to work beyond the end of the probation period shall be deemed to have passed the employee's probation period.
6. New and re-employed employees who have not completed their initial probationary period are eligible for promotion.
7. Rejection During Probation:
 - a. A probationary employee may be separated from service at any time during the probation period without right of appeal or hearing unless the employee alleges that such separation was based upon discrimination. In such cases, the appeal and hearing shall be processed in accordance with Article 21 of this MOU.
 - b. Notwithstanding any other provisions of this Section, an employee who has completed the probationary period following initial appointment, but fails to complete the probationary period for a position to which he/she has been promoted, demoted or transferred shall have the right of appeal in accordance with Article 21 of this MOU.

B. Return to Vacant Positions

1. Any employee who (1) has completed an initial Court probationary period and obtained regular status; (2) is promoted from one class to another; and (3) fails the promotional probation period, shall be restored to the classification held immediately prior to promotion if a position in that class is vacant. This includes restoration of the employee's former salary, merit increase eligibility date,

and all other benefits to which the employee would have been entitled if the promotion had not occurred.

2. Notwithstanding any other provisions of this Memorandum of Understanding, a regular employee who has not completed an initial Court probationary period and obtained regular status and is rejected during the probation period from a position to which he/she had been promoted or transferred may be restored to his/her former position. Such restoration is not mandatory, but is optional at the discretion of the Court Executive Officer, within the limits of available authorized positions.
3. If an employee cannot be restored to the former class:
 - a. The employee may be appointed by the Court Executive Officer to any other vacant position in any class provided:
 - 1) the class is in the same bargaining unit as the former class;
 - 2) the employee meets the minimum qualifications for the class;
 - 3) the salary range for the class does not exceed the range of the class held immediately prior to promotion;
 - b. The employee will serve a new probationary period.
 - c. The employee's name will be placed on the current or continuous eligible list for that classification held immediately prior to promotion. The employee's name will be certified along with the regular number of applicants to vacancies in the class until the employee is selected or the eligible list is abolished.

ARTICLE 8 SALARY AND OTHER COMPENSATION

A. Salary

1. Effective January 1, 2015, employees shall receive a two percent (2%) increase in their base wages, effective the first pay period following ratification.
2. Effective July 1, 2015, employees shall receive a two percent (2%) increase in their base wages, effective the first pay period following ratification.
3. Each salary swap listed above shall apply to employees who are Y-rated at the time of ratification.

Based upon the funding provided to the Judicial Branch in the Budget Acts of 2015 and 2016 and allocated to the Solano Superior Court by the Judicial Council, the Court agrees to grant the following:

- Two and one-half percent (2.5%) salary increase, effective July 1, 2015, and,
- Two and one-half percent (2.5%) salary increase, effective July 1, 2016.

Should the Budget Act or allocation change from what is currently anticipated and not support the increase, the Court and the Union agree to re-open and meet and confer on wages.

These July 1, 2015 and July 1, 2016 increases shall not apply to employees who are Y-rated. Y-rating is defined in Article 8.I.

One-Time Payment

Effective the first pay period after ratification, employees shall receive a one-time payment of \$250.00, less applicable taxes.

B. Equity Adjustment

Reserved for future use.

C. Pay for New Employees

1. New Court employees shall generally be appointed at the first step of the salary range established for the class to which the appointment is made.
2. The Court Executive Officer or designee may fill a position at any step above the minimum of the salary range. Such a determination shall be based on the applicant's experience specific to the position being filled, as well as the needs of the Court.

D. Salary Upon Re-Employment

1. A former employee, off probation at the time of separation may, upon the approval of the Court Executive Officer, be returned to the step the employee held at time of separation.

Subsequent merit increases shall follow the normal time period progression between steps.

2. An employee who voluntarily separates and:
 - a. is subsequently re-employed in the Court;

- b. begins work within a period of not more than 180 calendar days from the last day he or she previously actually worked for the Court;
- c. completes a new probationary period; and
- d. either did not withdraw from PERS or "bought-back" his/her Court PERS service credits, shall, upon approval by the Court Executive Officer, have continuous service credited to him or her for purposes of vacation and longevity pay eligibility. Prior service restored shall not apply toward seniority for lay-off purposes, floating holidays, step raise eligibility or any benefit other than vacation and longevity pay eligibility.

E. Merit Salary Increases Within Range

- 1. A merit salary increase shall consist of one step on the range for the class.
- 2. Merit salary increases shall not be automatic, but shall be given only upon the affirmative action of the Court Executive Officer or designee.
- 3. Every employee in a regular or part-time position shall have a merit salary increase eligibility date effective upon completion of the paid hours, excluding overtime, in the chart below.

After	2080 Paid Hours	2080 Paid Hours	2080 Paid Hours	2080 Paid Hours
Salary Range Steps	2	3	4	5

Employees hired on or before May 1, 2011, shall have merit eligibility dates pursuant to the language in Article 8 E 3 in the MOU for the period January 26, 2010 through December 31, 2010.

The granting of any leave of absence without pay, other than military leave, exceeding seven (7) consecutive calendar days in a pay period shall cause the merit increase eligibility date to be extended until the required number of paid hours have been completed.

- 4. There shall be a written evaluation of the employee's job performance prior to the merit salary eligibility date which shall be discussed with the employee and which shall include a recommendation to grant, deny or defer the merit increase.
- 5. In the event an employee receives an overall rating of either unacceptable or improvement needed on his/her evaluation and the merit salary increase is denied, such employee must be re-evaluated no later than 320 paid hours following the scheduled merit salary increase eligibility date. If the employee shows no improvement, the Court will comment on any action to be taken. Such evaluation shall be on forms and under procedures prescribed by the Court Executive Officer or designee.
- 6. If, in the Court Executive Officer's judgment, an employee's performance does not warrant a merit salary increase on the merit salary increase eligibility date, and a deferment of a decision accompanied by an intensive effort at improved performance might be productive, the Court Executive Officer shall complete the performance evaluation and defer a decision which shall not exceed 1040 hours. A merit increase may be deferred only once for any given step on the salary range for the class.

The responsibility for reopening the matter by submitting another performance evaluation and recommendation shall lie with the Court Executive Officer. The employee must be re-evaluated within 320 hours following the scheduled merit increase eligibility date, but in any event the merit increase must be granted or denied prior to the deferment date, supplemented by a performance evaluation which has been discussed with the employee. The employee's merit increase eligibility date shall not be changed by such deferment.

7. Should an employee's merit increase eligibility date be overlooked the employee shall be recommended for a merit salary increase and the Court shall compensate the employee for the additional salary he/she would have received dating from the merit salary increase eligibility date.

F. Salary Upon Promotion

Any regular or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the class or such higher amount as would constitute at least a one (1) step increase on the range over the salary received prior to the promotion, not to exceed the top step of the new range. The effective date of all promotions shall coincide with the first day of the pay period. All subsequent merit increases shall be governed by the provisions of Article 8.E., "Merit Salary Increases Within Range" of this MOU.

G. Salary Upon Transfer

When an employee within the Unit is transferred from one position to another in the same class, or another class with the same salary range and the same or a lower recruiting step, the salary and merit salary increase eligibility date shall not change.

H. Salary Upon Demotion

1. When a regular employee is demoted for reasons of unsatisfactory performance, the employee's salary shall be reduced one step, or he/she shall receive the maximum step of the range of the new class, whichever is lower. His/her merit increase eligibility date shall be the first day of the pay period following completion of the number of hours of service which corresponds with the required period under the provisions of Article 8.E., "Merit Salary Increases Within Range" of this MOU.
2. When a regular employee in good standing is demoted to a position in a lower class for physical disability or reasons other than unsatisfactory performance he/she shall receive the highest salary in the new range that does not exceed his/her rate of pay immediately prior to demotion and shall retain the merit increase eligibility date to which he/she was entitled prior to demotion.
3. When a probationary employee is demoted to a class not previously occupied by the employee, he/she shall receive the recruiting salary for the lower class and shall receive a new merit increase eligibility date as provided by the provisions of Article 8.E. of this MOU. A promotional probationary employee demoted to a class formerly occupied in good standing shall have the step status, probationary status and merit increase eligibility he/she would have achieved if he/she would have remained in the lower class throughout the period of his/her service in the higher class.

I. Salary Upon Reclassification

The salary of an incumbent regular or probationary employee in a position, which is reclassified, shall be determined as follows, if the incumbent remains in the position that is reclassified:

1. If the position is reclassified to a class with the same salary range, the salary and the merit increase eligibility date of the employee shall not change.

2. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by the provisions of Article 8.F., Salary Upon Promotion, of this MOU.
3. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be determined as follows:
 - a. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.
 - b. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

Years of Continuous Regular Service	Effective Date of Salary Change
Less than 5	2 years from date of reclassification
5 but less than 10	3 years from date of reclassification
10 but less than 15	4 years from date of reclassification
15 but less than 20	5 years from date of reclassification
20 but less than 25	6 years from date of reclassification

J. Working Out-Of-Class

1. It is the intent of this article to provide appropriate compensation to employees working out-of-class from the beginning of the third pay period of such assignment and continuing for the duration of such assignment.
2. ARTICLE 26 SEPARATION THROUGH LAYOFF

A. Determining the Need for Layoff

As prescribed by Government Code section 71652, a court employee may be laid off based on the organizational necessity of the court. A layoff for organizational necessity is defined as a termination based on the needs or resources of the court including, but not limited to, a reorganization or reduction in force or lack of funds.

In the event that the court determines such a layoff is necessary, the court will notify the union and take the following actions:

1. Identify the classification(s) in which position reductions may be required.
2. Advise employees in those classifications that position reductions may occur in their classifications.
3. Consider employee requests to reduce their position hours from full-time to part-time to alleviate the impact of the potential layoffs.
4. Consider approval of requests for reduction in hours, lateral transfers, and voluntary demotions to vacant, funded positions in classes not scheduled for layoffs within the court.
5. When it appears to the court that a workforce reduction may occur, the Court Executive Officer shall notify the Union of the necessity of such layoffs and shall meet and confer with it regarding the implementation of the action. Alternatives to layoff such as mandatory furloughs may be discussed.
6. Employees who are laid off will continue to receive medical, dental, and vision coverage through the month following the month their lay off is effective.
7. Employees who are laid off and subsequently rehired within a ninety (90) calendar day period following the effective date of their layoff will be considered as having served continuously in Court service for purposes of seniority and the employee's rate of annual leave accrual upon reinstatement from layoff. During this 90-day calendar period, such laid off employees will not be entitled to cash out accumulated annual leave entitlement, sick leave, holiday leave or compensatory time off. In the event such laid off employee is not rehired within this 90-day period, or if a laid off employee relinquishes all re-employment rights with the Court within this 90-day period, such employee shall be entitled to a payoff of earned benefits as provided in the MOU.

B. Length of Service (Seniority)

For purposes of this policy, seniority is defined as length of service in the classification in which the layoff is occurring, but not including leaves of absence without pay. Such seniority shall include time served in higher classification(s). In the event of a tie in seniority, length of service in the court shall be determinative. If the above factors remain equal, total length of county and court service shall be determinative.

C. Order of Layoff & Displacement

1. The Court will determine whether the layoff will occur on a court-wide basis or in one or more departments or classifications. Once the scope of the layoff is determined, employees will be laid off by seniority in the following order:
 - a. Temporary employees;
 - b. Limited term employees;
 - c. Probationary employees;
 - d. Regular employees.
2. Grounds for Layoff. Any employee(s) in a position in the court may be laid off when the position is no longer necessary, or for reasons of economy, lack of work, lack of funds or for such other reason(s) as the court deems sufficient for abolishing the position(s).
3. Order of Layoff. The order of layoff in the court shall be based on inverse seniority in the class of positions, with the employee in the identified classification with the least seniority laid off or displaced first.

In the event two or more employees with the same length of service occupy allocated positions in the same class, the employee with the most recent date of appointment to the class will be laid off or displaced first.

Volunteers for Layoff – An employee who occupies a position within a class within a department affected by a layoff and/or displacement may volunteer to be laid off in place of another employee who has less seniority and who would otherwise be laid off. Such employee will be entitled to the same rights and restoration privileges as other employees in accordance with this Article.

4. Layoff by Displacement (Bumping) to a Lower Class. A regular employee who is laid off shall have the right to “bump” a less senior employee in a lower classification (i.e., one with a lower salary/wage range) in which the employee who is bumping had previously achieved regular status. The employee who is bumped shall be the employee with the least seniority in the lower classification. An employee who is bumped shall also have the right to bump a less senior employee in a lower classification in which the employee who is bumping had previously achieved regular status. Any employee who exercises bumping rights shall enjoy the pay, benefits, and terms and conditions of employment of the classification to which he or she bumps and shall follow the provisions set for in section 5 below.
5. Status of Employee Upon Displacing
Employees displacing (bumping) other employees must accept the salary, hours, and working conditions of the lower position to which assigned.
 - a. An employee displacing another employee in a lower class shall receive the highest salary in the new range that does not exceed the displacing employee’s rate of pay immediately prior to displacing. The displacing employee shall also retain the merit increase eligibility date to which he or she was entitled prior to displacing.

6. Particular Rules on Displacing

- a. Former regular full-time employees who have voluntarily become regular part-time employees for the purpose of reducing the impact of a proposed layoff with the written approval of the Court Executive Officer retain their regular full-time employee seniority rights for layoff purposes only and may in a later layoff displace a full-time employee with less seniority as provided in these rules.

Notice. The Court agrees to give employees scheduled for layoff at least ten (10) work days notice prior to their last day of employment

7. Reassignment of Laid Off Employees. Employees may request reassignment back to their pre-layoff status under the following circumstances:

- a. A full-time employee displaces another employee in the same classification to become a part-time employee;
- b. An employee voluntarily reduces his/her work hours to reduce the impact of layoff;
- c. An employee accepts a position of a status other than that from which they were laid off upon referral from the layoff list.

At the time of a workforce reduction, employees will be advised of the reassignment procedure to be followed to obtain reassignment back to their former status. The most senior laid off employee in this status who requests such a reassignment will be selected for the vacancy; except when a more senior laid off individual remains on the layoff list and has not been appointed back to the class from which laid off, a referral from the layoff list will be made to fill the vacancy.

8. Recall- Right to Re-employment.

- a. Each person who has been laid off from a position in which the person held regular status shall be placed on a re-employment list for six months from the effective date of the layoff. If a position is vacated or established in the classification from which the employee was laid off, such position shall be offered to employees on the re-employment list in the order of their former seniority in the classification, prior to the court recruiting for the position.
- b. Employees shall not accrue seniority while on a layoff. If an employee accepts a recall and in a timely manner reports to work, the employee's eligibility date for merit increases, longevity, etc. will be adjusted to reflect the period of layoff.
- c. To be eligible for recall, an employee must keep the court notified as to his or her current mailing address. Recall notices will be sent by certified mail to the employee's last known address as reflected in the court's personnel files. The employee must, within fifteen (15) calendar days from the date the notice was mailed, notify the court of his or her intent to return to work on the date specified in the recall notice and must thereafter return to work on such date.

9. Recall- Refusal of Re-employment.

- a. If an employee refuses a recall offer, does not respond to a recall offer within the time specified in Section 8.c above, or does not return to work on the date specified in the recall offer, he or she will be removed from the re-employment list and will not be eligible for further recalls.

- b. Laid-off employees either not responding to an offer of re-employment or refusing an offer of re-employment for reasons acceptable to the Court Executive Officer shall have their names restored to their former places on the layoff eligible lists affected and shall lose only the then-available appointment opportunity. The Court Executive Officer must give written reason for removal from any eligible's name from the re-employment list.

Employees furloughed under this provision shall have their furlough days considered time in status solely for the purposes of maintaining leave accruals, court service time for merit step advancement, seniority and benefit eligibility. Furloughs can be authorized in a variety of configurations so long as the authorized period is no more than fifteen (15) contiguous days. The Court will notify employees when the granting of furlough days without pay will be considered. Requests for furlough days without pay will be made in a manner specified by the Court. When considering a request for furlough days without pay, the Court will consider whether granting the furlough will result in net cost savings, whether the absence can be accommodated within reasonable operational limits, and other relevant factors.

The Court Executive Officer or designee has sole discretion to grant or deny all furlough requests.

2. Mandatory Furlough. In the event the court faces a budget crisis and salary savings are needed to aid the court and employees in preserving positions, the Court reserves the right to require mandatory furlough consistent with Section D.1, above.
