Status Review Hearing

### **PREGRANT ORDER**

The courtroom will be open on November 30, 2020. However, because of emergency orders and public health directives due to the COVID-19 pandemic, neither counsel nor petitioner need appear in person. Counsel for petitioner will receive an invitation to attend court remotely via Zoom. Counsel may forward that invitation to petitioner and any other interested party who may also appear remotely. The Zoom based calendar is intended to facilitate continued case management while shelter in place, social distancing and other pandemic related guidelines, directives and orders are in effect. If counsel, any party or any interested person do appear in person, social distancing measures will be in place in the courtroom.

The court has reviewed the Status Report signed by both counsel filed November 16, 2020. The court on its own motion continues this hearing to May 19, 2021 at 9:00 a.m. in Department 22.

Petition to Establish Fact, Time and Place of Birth

PREGRANT ORDER

The courtroom will be open on November 30, 2020. However, because of emergency orders and public health directives due to the COVID-19 pandemic, neither counsel nor petitioner need appear in person. Counsel for petitioner will receive an invitation to attend court remotely via Zoom. Counsel may forward that invitation to petitioner and any other interested party who may also appear remotely. The Zoom based calendar is intended to facilitate continued case management while shelter in place, social distancing and other pandemic related guidelines, directives and orders are in effect. If counsel, any party or any interested person do appear in person, social distancing measures will be in place in the courtroom.

The petitioner's pleadings demonstrate that he already has a valid California birth certificate. The petitioner is apparently seeking an order to amend the existing birth record.

The petition on file can only establish a birth record, not amend an existing birth record.

The court denies the current petition without prejudice as the birth record already exists.
