Re: **Response to Solano County Civil Grand Jury 2021-2022 Report Entitled: An Operational Review of Solano County Library Services (SCLS)**

Honorable Judge Getty:

The following is the City of Rio Vista's required response to the Grand Jury Report referenced above:

Finding 6: *The SCLS Facilities Master Plan, nine site visits, and interviews revealed a variety of maintenance, compliance, and safety issues.*

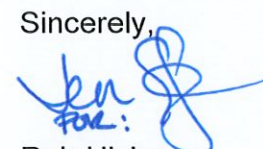

c. Three locations have water intrusion problems, [e.g., leaks in roof and dampness]. (Dixon, Rio Vista, and Vacaville Cultural Center).

In accordance with Penal Code 933.05 (a) (2): The respondent disagrees wholly or partially with the finding, in which case the response shall specify the portion of the finding that is disputed and shall include an explanation of the reasons therefor.

City's Response:

A review of City records has revealed that for the last two years, there were no reports of water intrusion problems reported at the Library. While the City does not disagree that this could be a serious issue if validated, it does not appear to be an issue at this point. Nonetheless, staff will contact Library staff to ensure there is no water intrusion issue.
