

Instructions for Searching a Case in the Public Portal:

Please Note: Information concerning confidential cases and/or documents are not available through the Public Portal.

- To access case information using the Public Portal, you must first create a user account. You can do so by clicking “Register” on the Home page:

- You will then be required to enter your e-mail address, select a password, and enter your name and phone number. All fields marked with a red asterisk (*) are required. After that has been entered, you will select the box for agreement to the terms of use and select “Create New Account”.
- You will be redirected to the User Home Page to begin searches.
- Click “Case Search”

- The easiest way to search for a case is by using the Case Number.
- If the Case Number is not available, then you may search by using “Last Name”, “First Name” or “CompanyName”. *Two characters are required at minimum for the Last Name, First Name and Company Name fields.*
- You may also search cases filed within a particular date range.
- Once you have entered your search criteria, click “Search”.
