Agreement

This Agreement ("Agreement") is executed as of the above date by and between YesLaw, Inc., a Division of Stenograph ("YesLaw"), and Licensee ("Reseller") as defined above. Reseller desires to utilize Stenograph software for conversion of text or ASCII court reporter transcripts to PDF formatted transcripts for the purpose of distribution and reselling transcripts to court personnel, lawyers, law firms and other legal professionals ("End Customers").

YesLaw Transcript Generator

The YesLaw Transcript Generator is software to run on Windows PCs that converts court reporter text or ASCII-formatted transcript files to PDF-formatted, full and condensed transcripts. The software includes utilities to quickly add hyperlinks to embedded exhibit files, to create a fully hyperlinked word index, and to electronically distribute notes, audio files and completed transcripts.

YesLaw Software Licensing Fees

For creating PDF-formatted transcripts, Reseller agrees to the following fees:

Individual Plan Pricing

YesLaw Transcript Generator with Online Delivery Individual CCRA or non-CCRA Official Annual Fee	\$270.00
OR	
YesLaw Transcript Generator with Online Delivery Individual CCRA Member Official Monthly Fee	\$25.00
OR	
YesLaw Transcript Generator with Online Delivery Individual Non-CCRA Member Official Monthly Fee	\$30.00

* Please check one fee payment plan choice above.

YesLaw Online Hosting of Transcripts & Documents

Resellers may choose to have Stenograph host content. Hosting of content is only available to YesLaw Resellers and as provided by Resellers to end users. Access to content is provided to Resellers and authorized end users as provided by Resellers.

Payment Terms

In consideration for the rights granted hereunder, Licensee shall pay all fees due to Stenograph within 30 days of incurring the fees. Licensee shall make payments either by check mailed to Stenograph or through credit card payment. If licensee is more than 30 days past due, Stenograph reserves the right to either charge the outstanding balance to the credit card on file and/or disable the YesLaw Generator and/or disable hosted web access.

Licensing Agreement

Use of the YesLaw Transcript Generator Software requires agreement to the Licensing Agreement which shall be presented upon installation of the software. Software updates, technical support and training are included for Transcript Generator Resellers. Resellers may run the YesLaw Transcript Generator Software on one or more of their multiple computers for the single user annual fee. Individual resellers may not activate software for use by others under their license agreement.

Finalize Agreement

To finalize this agreement, complete and email to Support@yeslaw.net. We will create your account and activate your software upon submission of the associated license number(s) for activation. If you have any questions, call (800) 910-5009 or e-mail Support@yeslaw.net
