Re: Response to School Bond Measure S CBOC Report

Dear Mr. Davenport,

Thank you for your very favorable report of findings regarding our Measure S CBOC. The following is a response to the findings and recommendations in the report.

1. Benicia Unified School District (BUSD) will continue to post the Citizens Bond Oversight Committee (CBOC) agendas, minutes, and project data. BUSD posts these documents on the website, in a glass case accessible to the public and in news articles. BUSD gives a quarterly report to the Governing Board on these items and will continue to do so. BUSD has signs at each school site displaying the projects that have been completed.
2. The BUSD Governing Board will pay the nominal fee for the Measure S CBOC members to attend a CalBOC seminar for training.
3. The CBOC will continue to monitor projects and expenditures.
4. The BUSD has completed a facilities master plan and it is available to the public and posted on the website.

The BUSD Superintendent, Governing Board and CBOC will continue to work collaboratively and responsibly as it pertains to the Measure S funds.

Sincerely,

  
Gary Wing, BUSD Board President
